

The 4th Pediatric Airway Surgery Course

Advanced Pediatric Airway Surgery, Endoscopy, & Reconstruction

17–19 November 2026 · PSMC — Riyadh

Day 1 — Assessment, Diagnostics & Emergency Airway

Tuesday, 17 November 2026

Time	Session	Speaker
07:30–08:00	Registration	
08:00–08:10	Welcome Remarks	Chair
08:10–08:30	Functional & Surgical Airway Anatomy	Dr. Mashael AlKusaier
08:30–08:50	Radiologic Anatomy of the Pediatric Airway	Dr. Reem Zagzoug
08:50–09:10	Flexible Bronchoscopy: Principles & Navigation	Dr. Assaf AlKathiri
09:10–09:30	Rigid Bronchoscopy & Laryngoscopy Techniques	Dr. Mohammad AlKadi
09:30–09:50	Airway Foreign Body Management	Dr. Yousef AlJathlani
09:50–10:10	Coffee Break	
10:10–10:30	Photo Session	Chair
10:30–10:50	Airway Ultrasound: Bedside Assessment	Dr. Khalid Alrashidi
10:50–11:10	Emergency Airway Management	Dr. Jaber Alshammari
11:10–11:30	Pediatric Anesthesia in Emergencies	Dr. Turki Almalki
11:30–11:45	Crisis Management	Dr. Nasser Alobida
11:45–13:00	Lunch / Prayer	
13:00–17:00	Hands-On Airway Skills Lab <ul style="list-style-type: none">• Laryngoscopy• Rigid Bronchoscopy• Flexible Bronchoscopy• Foreign Body Removal• Cricothyroidotomy• Airway Ultrasound	

Day 2 — Endoscopic Airway Surgery

Wednesday, 18 November 2026

Time	Session	Speaker
08:00–08:20	DISE: How to Perform & Why It Changes Management	Dr. Abdulaziz Alrabia
08:20–08:40	DISE Interpretation: Collapse Patterns & Surgical Pathway	Dr. Wala Alshiha
08:40–09:00	Airway Laser: Principles & Safety	Dr. Manal Bukhari
09:00–09:20	Laser Applications & Novel Techniques	Dr. Jaber Alshammari
09:20–09:40	Laryngeal Cleft: Clinical Decision & Repair	Dr. Mohammad Alkadi
09:40–10:00	Coffee Break	
10:00–10:20	Endoscopic Management of SGS	Dr. Nasser Almutairi
10:20–10:40	Endoscopic Cricoid Split & Grafting	Dr. Ameen Bin Nasser

Time	Session	Speaker
10:40–11:00	Endoscopic Suturing Techniques	Dr. Mohammad Hazazi
11:00–11:20	Endoscopic vs Open Reconstruction Decision	Dr. Danah Aljomah
11:20–13:00	Lunch / Prayer	
13:00–17:00	Endoscopic Hands-On Lab <ul style="list-style-type: none"> • DISE Simulation • Laser Techniques • Balloon Dilation (SGS) • Cricoid Split Model • Endoscopic Grafting • Endoscopic Suturing 	

Day 3 — Open Airway Reconstruction

Thursday, 19 November 2026

Time	Session	Speaker
08:00–08:20	Laryngotracheal Stenosis Reconstruction	Dr. Abdullah Alhilali
08:20–08:40	Slide Tracheoplasty	Dr. Mohammad Alaklabi
08:40–09:00	Tracheal Resection & Anastomosis	Dr. Mazyad Alenazi
09:00–09:20	Grafts & Suturing Techniques	Dr. Mohammad Halawani
09:20–09:40	Open Airway Reconstruction Pearls & Outcomes	Dr. Samir Bawazir
09:40–10:00	Coffee Break	
10:00–14:00	Open Airway Reconstruction Lab <ul style="list-style-type: none"> • CTR (Cricotracheal Resection) • LTR (Laryngotracheal Reconstruction) • Slide Tracheoplasty • Tracheal Resection & Anastomosis • Graft Carving / Shaping • Open Airway Suturing
